Mental Health and Wellbeing

Sometimes your child may be struggling, this could be to do with their mental health or wellbeing. On our website we have a page of information to help it includes signs to look out for, links to agencies and guidance that could help. Also, it has our new Mental Health and Wellbeing policy here too, so you can how school already supports mental health and wellbeing. It is well worth a look if you have any concerns. Or please come and talk to us about it. 01394411365
