Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, Sport and Physical Activity (PESPA) they offer. This means that you should use the Primary PE and Sport Premium to:

- Develop or add to the PESPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Please visit [gov.uk](https://www.gov.uk) for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend. Under the [Ofsted Schools Inspection Framework](#), inspectors will assess how effectively leaders use the Primary PE and Sport Premium and measure its impact on outcomes for pupils, and how effectively [governors](#) hold them to account for this.

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your students now and why? Use the space below to reflect on previous spend, identify current need and priorities for the future.

Key achievements to date:

- School Games Mark- Gold award. 2014-2015, 2015-2016, 2016-2017, 2018-2019, *also Platinum award given* 2019-2020. This involves a large amount of requirements to achieve this year on year. Such as participation matches with other schools, involvement with local sports clubs and it has to include all children in competitive sports and extra-curricular sports to be awarded.
- All children from year 2 onwards go swimming for two terms every year until they go to high school. *With COVID restrictions we are doing one term of Class 3, which has years 4-6 and then in the Summer term if we can then share the bus with the bubble system we will run it for yrs 2-6 again. If not it will be Class 3 if the year 6's cannot meet the statutory requirement and if they can Class 2, years 2 and 3 instead.*
- All children get two hours of PE a week.
- We run after school clubs: KS2 sports club, KS2 athletics club- KS1/2 Dance club, KS2 Hockey club, Yr 1 swimming club for a term, and KS1 Sports club. *We are running as much as possible with the restrictions from COVID-19 this time, with the aim to increase clubs in the Spring to Summer terms 2021 again.*
- We hire a play leader for lunch times to ensure all pupils are as active as possible.
- We encourage parents to walk/ scoot or bike to school.
- Present teaching staff are trained to a level 2 in Gymnastics so they can teach this area of Gym effectively and safely.
- Links to local sports clubs are being developed well. Pupils have experience of a variety of clubs who regularly teach the pupils in after school clubs at school too.

Areas for further improvement and baseline evidence of need:

Requirements for Gold award aim for 2020-2021:

Increasing Engagement in School Games

- Provide all students with two hours of timetabled Physical Education per week (within the curriculum only) and have extra curriculum provision inclusive of physical activity in addition to this – *applicable to years 3-11 only*.
- Engage at least 50% of pupils (20% for special schools/PRUs) in extracurricular sporting and physical activity every week – *applicable to years 3-11 only*.
- Over the course of the academic year, have targeted provision for those least active young people in your school and a minimum take up of at least 15% from those identified as least active at the start of the academic year. This take up needs to be sustained over a term – *applicable to years 3-11 only*.

Developing Competitive Opportunities

- Use the School Games formats to provide the opportunity for both boys and girls to take part in the appropriate level of competition.

	Personal Challenge /Digital Competition This is about young people's personal best	Intra School Sports This is within school competition i.e. class v class, house v house etc.	Inter School Sports School v school Pathway Competitions Development Competitions and Festivals
Primary school with a KS2 of up to 50 students	2	5	4

Promote the School Games inclusive of physical activity to parents and the local community at least once a fortnight using newsletters, website, social media and local press.

Workforce – Broadening The Range Of Opportunities

- Every young person is provided the opportunity to learn to lead through curriculum PE as part of the lesson structure.
- Engage a representative group of students in leading, managing and officiating in School Games activity. (15% for schools/special schools and 6% for FE/PRUs)
- Have a School Sport Organising Committee or Crew in place that influences provision.
- **Primary Only** – have completed an Activity Heatmap on www.activeschoolplanner.org in 2018/19 and can demonstrate some of the principles of an active school. Examples of this can be found at www.activeschoolplanner.org/signposting-and-guidance
- Utilise sports coaches, volunteers or other providers to support school sport and physical activity delivery that complements your School Games Organiser's (SGO) provision.
- Train and engage wider school staff in the delivery of school sport and physical activity.

Increasing and Sustaining Participation

- Have active links with at least five local community and pathways sport/physical activity and leisure providers e.g. sport clubs, leisure centres, youth centres etc (two for special schools/N/A for PRUs) where the link is a signposting function (posters/assemblies etc) including of two (N/A Special Schools and PRUs) where the relationship is about the provider delivering taster sessions on site or the school/educational institute is a partner host site for the activity and young people are actively engaged to attend. Simply letting your facility to a club does not constitute a link.

Requirements to maintain the Platinum award 2020-2021:

How have you involved your pupils in planning and delivering your competition offer?

2 How do you support exit routes for your young people into community activities?

3 How have you demonstrated a holistic whole school approach to delivering physical activity in line with the Chief Medical Officer's (CMO) recommendation of a minimum of 60 active minutes a day?

Please consider within your responses:

- What the outcome was for your school.
- How you set out to achieve this.
- What the impact has been on young people.
- What your three top tips would be for other schools to go about bringing this change.
- How you have engaged with your School Games Organiser.

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below: 2018-2019 information
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your children may swim in another year please report on their attainment on leaving primary school.	Under 10 pupils adversely affects %. 75% 2018-2019 results (2020 results were not logged due to COVID-19)
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	100% 2018-2019 results (2020 results were not logged due to COVID-19)
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	100% 2018-2019 results (2020 results were not logged due to COVID-19)
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes/No We went for 2 terms with yr 6 and yrs 2-5 went also.
